TM parcel 32
D/p 931/78

n/f Howard Robert
TM parcel 24
D/p 1125 / 67

Notes:

- 1) The Building line off set shown hereon is 25 feet from the rear and the side lines, and 100 feet from the center of the County Highway as located this survey
- 2) The building foundation is a poured concrete wall on concrete footings
- 3) The septic field was covered at the time of survey and is located on the plans from Information provided by the contractor
- 4) The proposed septic field, residence, and wells for lots 1 & 2 was copied from the engineering plans designed by James E Hutchins, PE See reference map below.
